## Dedication

This year the annual staff takes great pleasure in dedicating the 1956 issue of El Bronco to the Coast Union High School Band and its director, John Knowles.

We point with pride to the excellent performances the band has made at county and state music festivals these past three years.

We salute you, Mr. Knowles, for without your constant guidance and direction, this achievement would never have been accomplished.

# *Junior Class*

Here we are back again at good old Coast Union, one ring higher on the ladder and reaching for the top.

One of the highlights of our junior year was the privilege of being able to purchase class rings. These rings signify that we are upperclassmen.

Our goal this year was raising the funds for the junior-senior prom. To start the ball rolling, we held a Turkey Trot Dance and the appropriate bird was raffled off. Also to reach this future goal, we had various food sales and we sold candy and soft drinks at the games.

Another event that kept everybody busy was the junior play, "The Inner Willy." This was a hilarious comedy about a shy boy and his "inner self." To our great pleasure, this was a smash hit. All these various undertakings led up to the junior-senior prom and banquet. The theme was Stairway to the Stars, which was carried out romantically in blue and silver.

The class officers this year were Jimmy Evans, president; Barbara Righett, Vice-president; Rosemary Borges, Secretary; Paul Madonna, Treasurer. Our very helpful and understanding advisors were Mrs. Ethyl Winter and Mr. Luther Churchwell.

We have had loads of fun this year and are looking forward next year to being mighty seniors!

FRONT ROW (Left to Right): Toni Dean, Susan Shortridge, Sue Stites, Ralena Davis, Lea Joy Bordegaray, Chickie Williams, Diane Backensten BACK ROW: Mr. Knowles, Advisor, Don Wallace, Lynn Hanchett, Edward Camozzi, Don Coulter, Dave Allison, Mr. Dunn, Advisor.

# Sophomore Class

The Sophomore Class is a little like the middle child--neither the oldest nor the youngest. We are considered too young to be upper classmen and yet we don't want to feel like lower classmen.

We were further handicapped by being the smallest class in school, but with the fine guidance of our sponsors, Mr. Dunn and Mr. Knowles, we carried our share of responsibilities very well. Besides the usual school duties, the sophomores held their own in sports, making all athletic teams. We also have helped to keep Coast Union standards high in music and scholastic achievement. We have contributed much to extra-curricular activities, such as the Town Meeting held in February.

The year has ended now and we have come up another notch. We are looking forward to our Junior year, but our sophomore year, with both its good and its bad points, will be remembered for a long time.

Class officers for the year were:

President ---------- Diane Backensten
Vice-President
and Business Manager ------- David Allison
Secretary ---------- Susan Shortridge
Treasurer ---------- Lea Joy Bordegaray

FRONT ROW (Left to Right): Armound Rambaud, Jim Proctor, Charles Camozzi, Wayne Dengate, William Dengate, Richard Smith, Mike Lyons, Charles La Praim, Dick Weiss SECOND ROW: Cosima Rizzo, Judy Hanchett, Nancy Dean, Nancy Delminico, Marian Takken, Alice Scott, Carol Redelfs, Merri Bordegaray, Jean Evans, JoAnn Churchwell BACK ROW: Miss Mauldin, Advisor; Pat Buelna, Sandra Williams, Toni Williams, Gloria Negranti, Mary McWilliams, Sherry Shoffner, Mr. Hensgen, Advisor.

# *Freshman Class*

It was a long, hard climb from the first year in grade school to the first year in high school, but we finally got here. We almost turned around and went back though, when the seniors decided to dress the freshman girls in gunny sacks anf field boots, and the boys in shortie nightgowns and high heels for our initiation.

The officers elected for the freshman class were: Dick Weiss, President; Jean Evans, Vice-President; Marian Takken, Secretary; and Nancy Dean, Treasurer.

The first thing the freshman class did to raise money was to have a food sale and we had several of them throughout the year, which brought in quite a bit of money for us. We, also, sponsored a show at the theatre in Cambria.

Our dance, the "Superstitious Stomp," was in April, yes, on Friday the thirteenth! Of course we had appropriate decorations for the date. We were glad our dance was a "howling" success, because it was our first.

We really were a mess when we got back from the freshman's annual trek up the hill to paint the "C" and clean up around it. It looked like we had more paint on us than on the "C". We had loads of fun though.

In a few months we will be taking another step toward our education and we will be sophomores, watching the freshman initiation and remembering that just last year we were bowing to the seniors.

# Youth Lead Discussion On Juvenile Delinquency

CAMBRIA PANEL (Left to Right): Jim Proctor, JoAnn Churchwell, DeAnn Lyons, moderator; Dian-Marie Junge, Joyce Williams, Lynn Hanchett.

In February, a panel of Coast Union students held a town meeting in Cambria where they discussed juvenile delinquency. Also, the same night, a panel consisting of five Coast Union Students and a moderator from Cayucos led a discussion on the same topic at the Cayucos Lion's Club meeting. Those on the Cayucos panel were Jane Mainini, moderator; Cosima Rizzo, Nancy Delminico, Jim Evans, Barbara Righetti and Toni Dean.

The object of these discussions was to evaluate the community's resources on the prevention of juvenile delinquency. The students gathered information from questionnaires prepared by the California Youth Authority and mailed to the townspeople. Besides evaluating these questionnaires, various prominent citizens were interviewed.

Although it was pointed out that there was no juvenile delinquency problem in Cayucos or Cambria, it was decided that the main problem is lack of recreational facilities for leisure time.

The discussions and participation of the public was most satisfactory.

A panel consisting of Dian-Marie Junge, Joyce Williams, JoAnn Churchwell, Jim Proctor and DeAnn Lyons, accompanied by Mr. Hensgen, attended a town meeting at Cal Poly in March.

In April, Dian-Marie Junge attended the Governor's Conference in Sacramento on the prevention of juvenile delinquency.

**This little paper is planned to tell you a bit about the village and the surrounding area . . . where to go and what to see. There is plenty to do, or it is the perfect spot for just plain relaxin' . . . for dreaming and building castles in the air (and to visit a real one, too). There are interesting little shops and excellent eating places. And so we say, "Bienvenidos amigos" . . . . .**

## ART . . . .

Artists in every field are being lured into the area . . . sculptors, potters, musicians, writers and those prominent in the graphic arts.

Greystone Galleries located in Pine Knolls Estates is one that would be worthy of a city many, many times the size of Cambria.

**GREYSTONE GALLERIES:** is the exclusive agent in the central coast area for several distinguished artists in the field of painting, sculpture, graphics and ceramics . . . gallery hours 1 to 5 p.m. Closed Tuesdays.

You will find paintings by local artists and art students hanging in many of the hotels, motels and restaurants in the area. And do stop by . . .

**ART TOWER GALLERY:** . . . 6731 Main St., in Cambria . . . seascapes by Lynn . . . . custom frames by Randolph . . art supplies . . . art classes . . . telephone 927-4011.

## FISHING . . . .

This is an ideal spot for the fisherman . . . Sea fishing yields catches of bullhead, sea trout, striped bass and flounder. Rainbow trout are caught in the creeks. There is good abalone hunting (season open now through next January 14), and the clam digger finds large Pismo clams.

Visitors, do be sure that you have the proper fishing licenses and information regarding legal size, limits, season, etc.

## PICTURE TAKING . .

Camera clickers will be in seventh heaven with the scenery and opportunities for good shots in the area. Be sure that you have plenty of film!

## PICNICKING . . . .

You will find tables, barbecue pits, children's play area surrounded by a lovely green lawn at the Cambria County Park or take a lunch to any of the lovely beaches.

# The House of Jade

About one mile north of Cambria on Moonstone Beach Drive. Here you will find a very outstanding collection of jade specimens . . carvings . . . exquisite jewelry . . . lapidary equipment . . . open evenings.

good hosteleries make it a "must", and among the latter are . . .

**THE CYPRESS WEST HOTEL** . . . in downtown Carmel . . . its architecture hies back to the 'days of the dons" . . . charming rooms . . friendly atmosphere . . . complimentary morning coffee . . . Mary and Herb Poffenberger will make you most welcome . . . call 624-3871.

**MISSION RANCH** . . . just behind the Carmel Mission . . . a hundred years ago this was a dairy ranch set amidst Monterey Cypress and Eucalyptus, and all has been done to preserve this rustic charm . . . the old creamery is now a dining room serving excellent food . . . the only spot in Carmel having dancing on weekends . . . tennis courts . . . riding stables . . . children and pets welcome . . . call 624-6643.

## DRIVING SOUTH? . . .

As you drive south you should stop at Cayucos . . . a must if you are a fisherman. Cayucos boasts one of the longest free fishing piers in the county, and we understand that few end up without a catch. Perhaps you might like to stay over, and you will be most happy at the accommodation at the . .

**SHORELINE MOTEL** . . . on the beach . . . beautifully appointed rooms with king-size beds and color T.V. . . heated pool . . . coffee bar . . . phone 995-3943.

**HARWIL HOUSE** . . . adjoining the Shoreline Motel . . . a pleasant, intimate restaurant featuring delicious food, fine wines . . . serving breakfast, lunch and dinner. Prime rib is a week-end specialty. Closed Mondays.

For a heavenly drive take the Solvang turn off (State Route 246) and drive through the beautiful Santa Ynez Valley. Be sure to make a stop in the charming Danish Village of Solvang . . .

And a "must" in Solvang is the **MUD MILL** . . . a most interesting pottery studio. Kirsten and Frank Pedersen will make you most welcome.

Visit the quaint little village of Los Olivos, which was the southern terminus of California's first narrow gauge railroad, the Pacific Coast Railway. This little railway ran betwen Port San Luis Obispo to Los Olivos, by way of San Luis Obispo. Travelers then took the Old San Marcos Stage which shuttled the passengers between Los Olivos and Santa Barbara, 36 miles away over the winding San Marcos Pass . . . then a long 10 hour trip . . . now 30 minutes.

And you definitely must make a stop at MATTEI'S TAVERN. This old stage coach inn still stands ready to make the traveller happy . . . delicious food, drinks and lodging, friendly and pleasant atmosphere, excellent service . . . your host, Bud New. For reservations, call 688-4820. Closed Mondays.

And, of course, you will want to visit the beautiful city of Santa Barbara . . . to see the queen of the Missions and to visit . .

CAMBRIA - SAN SIMEON, CALIFORNIA JANUARY-FEBRUARY, 1968

# WELCOME TRAVELER - - -

**To Cambria . . .**

a delightful little village amidst gorgeous pines and looking to the blue Pacific. With its soft, pine-scented air, its winding country roads, its friendly people, it is a haven for resident and visitor alike.

Here some 3000 ranchers, merchants, and retired individuals enjoy a life on the slow-moving side that offers a respite from the frantic rush of the space age.

**To San Simeon . . .**

sitting at the foot of the La Cuesta Encantada (the enchanted hill) upon which the "Lord of San Simeon" built his castle just nine miles north of Cambria village. The water in its tiny bay is oh, so blue, the Santa Lucia mountains in the background so inspiring, and the Piedras Blancas (white rocks) rising out of the sea so majestic. Truly an enchanted land!
